February 2022

Sea Cadet Team,

Our cadets and adult volunteers are privileged to wear the uniform of the United States Navy. This is an amazing honor the Navy has given us, and we should be grateful and respectful. Because many of our cadets are indistinguishable from Navy Sailors and adult volunteers in uniform look like commissioned officers, it is essential that all are keenly aware that in uniform we represent the U.S. Navy.

In uniform, cadets should be on their best behavior, stand tall, and be prepared to address others with respect.

Adults are never required to wear a military uniform. When adult volunteers choose to wear the officer's uniform, you must look sharp and act professionally. U.S. Navy Sailors, indeed all of our military, inspire respect and awe not only with their skills and knowledge but also by their appearance.

I'm honored to work alongside so many awesome cadets and adult volunteers. Your dedication amazes and inspires me every day. I'm proud of what you do, and I want the rest of America to be equally proud.

Please use this manual to ensure that you and our corps inspire the same awe and respect in everyone you meet. Many thanks to the team that created this document!

Very respectfully,

Rear Adm. Andrew Lennon
U.S. Navy (retired)
Executive Director

1100 GENERAL INFORMATION

1101 POLICY. U.S. Naval Sea Cadet Corps Uniform Regulations:

1. Describe all authorized Naval Sea Cadet Corps (NSCC) and Navy League Cadet Corps (NLCC) uniforms, components, and required modifications.
2. Ensure that NSCC members and activities present a uniform and professional image across all regions and areas throughout the nation.
3. Ensure that modifications to US Navy uniforms clearly identify the wearer as a member of the NSCC or NLCC.
4. Sea Cadet uniforms are to be worn at Sea Cadet activities and when representing Sea Cadets at authorized functions. Do not wear a uniform to a political event or an event sponsoring a private commercial interest. If unsure, do not wear a uniform.

1102 APPLICABILITY. These regulations apply to all NSCC and NLCC members authorized to wear a uniform. Members are required to comply with all provisions of these regulations whenever they are wearing an NSCC or NLCC uniform.

1103 DISTINCTIVE INSIGNIA.

1. NSCC or NLCC insignia will be worn to modify Navy uniforms to clearly identify the wearer as a member of the NSCC or NLCC.
 - a. Proper placement of distinctive NSCC and NLCC insignia is outlined in Chapter FOUR of this manual.
2. The wear of distinctive U.S. Navy, U.S. Coast Guard, or other DoD insignia, other than authorized rank insignia, is not permitted.
 - a. Current and former Navy, Coast Guard, and other DoD personnel may wear earned awards, appurtenances, and breast badges on their NSCC uniform.

- 1104 **UNIFORMITY.** Uniformity is paramount. NSCC/NLCC personnel will wear the appropriate uniform for the occasion. It is unprofessional to wear working uniforms to ceremonies, parades, public appearances, or when Cadets are in dress uniforms. All efforts should be made to contact the responsible authority for ceremonies of other service branches to determine the uniform of the day for the ceremonies and wear the appropriate equivalent NSCC/NLCC uniform. United States Naval Sea Cadet personnel must set and maintain the high standards of smartness in uniform appearance. The military image reflected by attention to detail, while wearing your uniforms, is a key element in the public image of the United States Naval Sea Cadet Corps Uniforms shall be kept clean, and properly pressed.
- 1105 **Demeanor in Uniform.** Demeanor in Uniform. It is the responsibility of all NSCC personnel to exhibit a professional demeanor while in uniform. Hands in pockets, the use of any tobacco or vaping products, or wear headphones while walking in uniform all detract from military smartness. The use of mobile phones should never interfere with the ability to render a proper salute or interfere with personal safety.
- 1106 **ENFORCEMENT.** Wear of the U.S. Navy's uniforms is a privilege and honor, and comes with the responsibility to proudly represent the U.S. Navy and the USNSCC by wearing the uniform smartly and in compliance with these regulations.
1. USNSCC Regulations § 5.09(c) and § 6.14(a)(v) make the deliberate abuse of the privilege of wearing the uniform grounds for discipline, up to and including termination.
 2. Area Commanders, Regional Directors, and unit and training contingent commanding officers are charged with enforcing these regulations among the volunteers and cadets under their authority.
 3. All members shall:
 - a. Comply with these regulations at all times when in uniform.
 - b. Display the required distinctive NSCC or NLCC insignia to identify themselves as NSCC or NLCC members.
 - c. Present a smart military appearance that reflects pride in self, unit, Corps, the U.S. Navy, and the United States.
 - d. Refrain from behavior in uniform that might reflect negatively on the U.S. Navy or the USNSCC, or which is inappropriate or inconsistent with smart military appearance or bearing.
 - e. Stand ready and willing to instruct others in correct uniform wear and grooming standards.

1107 **HEADGEAR**

1. **General.** The cover is an integral part of the uniform. Aboard ship, wear a cover while in port unless safety or other conditions prohibit wear. If at sea outside harbor limits, wear the cover prescribed for specific watches or ceremonial occasions by the ship's commanding officer.
2. **Outdoor Wear.** Outdoors, personnel remain covered at all times unless ordered to uncover, or during religious services not associated with a military ceremony. Personnel remain covered during invocations or other religious military ceremonies.
3. **Indoor Wear.** Covers are not generally worn indoors, however there are a few exceptions when covers are to be worn indoors. Wear a cover indoors if you are part of a color guard, standing watch, involved in a ceremony, or otherwise directed.
4. **Special Circumstances.** The cover may be removed when traveling inside a private vehicle off base. Unless impracticable or hazardous, wear a cover when entering or within a military base in a vehicle. You may remove your cover when riding a bicycle or motorcycle; in place of a cover, a safety helmet is required.

1108 **SAFETY CONSIDERATIONS.**

1. **Restrictions.** Refer to [U.S. Navy Uniform Regulations](#) or host commands for guidance and information on safety or other conditions that restrict the wear of certain uniform items aboard ship or in other settings.

1109 **UNIFORM ALLOWANCES AND DEPOSITS**

Location Homeport: See [UNIT FINANCIAL MANAGEMENT Policy Section 1.04](#).

GENERAL UNIFORM REGULATIONS

SECTION 2: AUTHORITY

1. PRESCRIBING AUTHORITY.....	1200
2. SEASONAL UNIFORM CHANEOVER	1201

1200 **PRESKRIBING AUTHORITY.**

1. Area Commander, Regional Directors, and unit and training contingent Commanding Officers are delegated the authority to prescribe uniforms suitable for occasions, evolutions, and conditions.

1201 **SEASONAL UNIFORM CHANEOVER** The Navy has both summer and winter uniforms. To ensure all hands wear the same uniforms at the same time, Navy regions choose dates to switch from summer to winter uniforms and vice versa. Sea Cadet units should be aware of uniform changeover dates in their regions, please see change dates at ([Commander, Navy Installations Command website](#)) for your region. (Note: Guam and Puerto Rico units are authorized to remain in summer uniforms all year) If unsure, wear winter uniforms between October 1 and April 30. Some professional situations call for business attire. Even when summer uniforms are in season, it is always appropriate to wear Service Dress Blue in a situation where business attire is called for. If unsure, ask.

 - b. When travelling in the NWU, your uniform must be clean and present a sharp military appearance.
 3. **Change out.** Whenever possible carry civilian clothing while commuting in case you need to change.

2. SMARTNESS.....	2102

2100 GENERAL INFORMATION

2101 **GENERAL.** When wearing naval uniforms, the primary consideration is to have a neatly groomed appearance. NSCC grooming standards align with sea service standards. Key grooming standards include neatness, cleanliness, safety, military image and appearance. These standards are reasonable, enforceable, and ensure that the personal appearance of NSCC members contributes to a favorable military image before the public.

2102 SMARTNESS.

1. **Image.** NSCC members must set and maintain high standards of smartness in uniform appearance. While in uniform, the military bearing reflected by attention to detail to correct uniform wear, cleanliness, and maintenance helps the NSCC to maintain a favorable public image.

- 3. **Bags and Briefcases.** Members may wear private purchase bags, such as backpacks, computer bags and briefcases, with working and service uniforms as prescribed below:
 - a. Wear backpacks over either the left shoulder or both shoulders. Except for a matching regulation nametape, do not attach any personal ornamentation to the backpack.
 - b. Backpacks worn with service uniforms should be black only. Backpacks worn with NWUs may be black, NWU Type III or Type I pattern only.
 - c. To facilitate salutes or greetings, wear bags or briefcases across the left shoulder, with the bag hanging on the same side of the body (fore and aft). Do not wear the case or bag with the strap and bag on the opposite sides of the body (diagonally).
 - d. All bags worn with the uniform must be made of solid material that conceals the bag's contents.

Retainer straps must be plain, black and worn snugly against the back of the head.
 - b. **Sunglasses.** Wear conservative sunglasses, except in military formations. Wear retainer straps only if required where foreign object damage (FOD) prevention is in place, such as working on airfield or for other safety concerns. Retainer straps must be plain, black and worn snugly against the back of the head.
 - c. **Contact Lenses.** Tinted contact lenses must be a natural color.

- d. **Undergarments.** Wear appropriate undergarments to preserve the dignity and appearance of the uniform.
- e. **Military Creases.** On service uniform shirts, ironed military creases are optional. Do not wear shirts with glued-in or sewn-in creases. To form military creases, press two vertical creases in the front of the shirt, from the shoulder seam through the center of each pocket to the bottom of the shirt, and three evenly spaced vertical creases in the back of the shirt, from the yoke seam to the bottom of the shirt. If shirts do not have a yoke seam across the back as a reference point for placing three evenly spaced creases, start the outboard creases at the shoulder seam. Then start the center crease at the seam that attaches the collar to the shirt. End all creases at the bottom of the shirt.

FIGURE 2-1-1 NSCC MILITARY CREASES

- f. **Alterations.** You may need to have your uniforms altered for a well-fitting, professional military bearing. Such alterations must not detract from a military appearance. Do not have your uniform tailored to a tight form fit.

2200 PERSONAL APPEARANCE

- 2201 **GENERAL.** The good judgment of leaders at all levels is key to enforcement of NSCC grooming policy. Hair, grooming, and personal appearance while in uniform shall present a neat, professional appearance. The primary considerations are a neatly groomed appearance for the hairstyle and the type of hair that the member has.

2202 HAIR

GROOMING STANDARDS FOR MALE CADETS

1. **Males.** This policy applies to male members in uniform or when wearing civilian clothes in the performance of duty. Keep hair neat, clean and well groomed. Members may wear varying hairstyles if they meet the criteria of maximum length and bulk, tapered neck and sides, and correct wear of military headgear.

- a. Taper hair above the ears and around the neck from the lower natural hairline upwards at least 3/4 inch and outward not greater than 3/4 inch to blend with hairstyle.
 - b. Hair must not be longer than four inches. It must not touch the ears, collar, extend below eyebrows when uncovered, show under front edge of headgear, or interfere with properly worn military headgear.
 - c. Bulk is the distance that the mass of hair protrudes from the scalp. It must not exceed two inches.
 - d. Hair coloring must look natural and complement the individual. Do not wear faddish styles or outrageous multicolored hair.
 - e. The NSCC recognizes the unique quality and texture of curled, waved, and straight hair. Where the 3/4 inch taper at the back of the neck is not practicable, cut for a graduated appearance. This may combine the taper with a line at the back of the neck.
 - f. Members may cut, shave, or clip one natural, narrow, fore and aft part.
 - g. Do not wear plaited or braided hair in uniform or in a duty status.
 - h. If worn, keep sideburns neatly trimmed and tailored in the same manner as the haircut. Sideburns shall not extend below a point level with the middle of the ear, shall be of even width and shall end with a clean-shaven horizontal line. Do not wear flared sideburns, "muttonchops", "ship's captain", or similar styles.

Hair length, when in uniform, may touch, but not fall below a horizontal line level with the lower edge of the back of the collar. With jumper uniforms, hair may extend a maximum of 1-1/2 inches below the top of the jumper collar.
- e. Keep long hair, including braids, neatly fastened, pinned, or secured to the head. Bangs must not extend below the eyebrows. Do not wear widely spaced or protruding braids. Do not wear pigtails

- i. Wigs, hairpieces, and extensions must be of a natural hair color and match the current color of hair.

Pin up hair to prevent ends from extending upward or outward from the head.
